PLAN STATUS: INITIAL PLANNING ASSESSMENT IN ORDER

- The developer must ensure that the road verge in front of the site is inaccessible to vehicles for parking or driving purposes, via an aesthetically pleasing solution, to the satisfaction of the Executive Director : Human Settlement (requirement along Heugh Road only).
- The developer must ensure that the boundary walls are erected simultaneously with the construction of the units (Residential 2 developments only).
- The developer will be responsible for the landscaping and maintenance of the road verge in front of the site.
- The designation of uses on site to be as reflected on the approved site development plan.
- Additional conditions may be imposed upon final SDP approval.

NB : Please note that this initial assessment does not in any way constitute final SDP approval. Your SDP application will only be considered to be finally approved upon the issuing of an approval letter accompanied by an officially endorsed plan.
