QUOTATIONS - TERMS & CONDITIONS:

1. These Terms and Conditions are in addition to, and not in substitution of, the Standard Terms and Conditions of Sale of **Eagle Lighting (Pty) Ltd ("the Company")**. In the event of a conflict between these Terms and Conditions and the Company's Standard Terms and Conditions of Sale, these Terms and Conditions shall prevail.
2. Subject to 3 and 4 below, this quotation is valid for a period of **30 days** from date hereof.
3. This quotation is subject to:
 - 3.1. the availability of stock;
 - 3.2. the correction of good faith errors;
 - 3.3. any increase in cost of materials and / or labour, including but not limited to increases due to currency fluctuations, cost of transport, insurance, taxes and / or any other increase occasioned to the Company;
 - 3.4. lead times and delivery times changing without notice;
 - 3.5. the Customer confirming the entire order and not a part thereof;
 - 3.6. a 50% non-refundable deposit being paid at the time of placement of the order and the balance of the payment being made prior to delivery;
4. The Company reserves its rights to withdraw this quotation prior to receiving written acceptance from the Customer.
5. In the event that the Customer accepts this quotation, subject to terms at variance with any terms and conditions which are contained herein, such Customer's terms shall be of no force or effect unless the Company has, in writing, expressly and unambiguously agreed that the terms so sought to be introduced by the Customer shall apply. Without limiting the aforesaid, the Company shall not be regarded as having agreed to the Customer's terms by virtue merely of the Company having agreed to execute an order in which inconsistent terms have been introduced by the Customer and despite the fact that the Company has not rejected such inconsistent terms.
6. This quotation excludes any spares, parts, items, equipment, transport, fees, certification and or labour not specifically mentioned in this quotation and all omissions or errors by the Company will be subject to recalculation and / or re-measurement.
7. By accepting this quotation, the Customer is deemed to have acknowledged and accepted that:
 - 7.1. the Company has not, in any manner whatsoever, advised the Customer on any of the goods which are the subject of its order ("the goods"), nor has the Company warranted that the goods will be fit for any particular purpose. The Customer accordingly has not relied in any manner whatsoever on any representations by the Company in accepting this quotation;
 - 7.2. the specifications and description of the goods which are the subject of this quotation are based on the information provided by the Customer and are accurate as per the Customer's requirements;
 - 7.3. subject to applicable law, the Customer's order is not subject to change or cancellation;
 - 7.4. the Customer's order for any specifically manufactured / altered / coloured / specially ordered goods as per the Customer's specifications and requirements (ie: non stock items), shall not be subject to change or cancellation and may not be returned to the Company for refund or credit;
 - 7.5. all items quoted exclude lamps / bulbs;
 - 7.6. lamps and fittings are deemed to be non-dimmable, unless specifically and clearly stated on the quotation as being dimmable with a specified dimmer module;
 - 7.7. all items are quoted F.O.R Cape Town. Any further delivery, shipping or freight costs will be for the Customer's account;
 - 7.8. any goods which are measured and cut / altered / re-sized according to the Customer's requirements, including but not limited to LED tape light, cable, suspensions, aluminium profiles, rope light and tracks, shall not be returnable;
 - 7.9. lead times may vary due to, inter alia, material availability. Accordingly, stated manufacturing and delivery lead times may change without prior notice due to circumstances beyond the Company's control and the Company will under no circumstances be liable for any deviations in quantity or lead times from manufacturers; and
 - 7.10. all goods which are / which require / incorporate electronic components or devices, must be installed on circuits which are adequately protected from power surges.
8. **In addition to the above, the Company's Standard Terms and Conditions of Sale (which are available on request) apply.**
