Hinterveld™

WEAVERS OF MOHAIR & OTHER LUXURY FIBRES

KNITTING & WEAVING

Woven at Origin. Loved Worldwide.

Hinterveld is the artistic heart of the Stucken Group, where mohair and other noble fibres are transformed into luxury fashion fabrics, interior textiles, and knitted accessories. With deep African roots and a global outlook, Hinterveld combines tradition and innovation through sustainable practices. Every weft reflects the Group's commitment to quality and responsible design — weaving together community, environment, and passion.
