Re. Mr Dewald Potgieter SACAP CPD confirmation

This is to confirm that Mr Dewald Potgieter (PAT 30442820) has been in our offices weekly to train and improve our staff.

This scope consists of the following:

- Checking and improving quality of work.
- Putting systems in place to assist with efficiency.
- Assisting in the understanding of the National Building regulations.

The duration of his input has been from **8 hours a week** from January 2023 (**48hours +**) and is an ongoing process.
