**REQUEST FOR DISTRIBUTION OF NON-POTABLE WATER WITH IN METRO FROM ERF
7474 KORSTEN**

I refer to the letter dated 30 November 2020 from the NMBM relating to your request for Water Use Licence and all correspondence from Department of Water and Sanitation granting you permission to abstract not more than 100 000m³ per year of water from the natural spring on the above mentioned property.

The Nelson Mandela Bay Municipality hereby grants your company Bay Water Suppliers permission in terms of Clause 82 (1) of Chapter 9, to supply water from your natural spring which surfaces on your property, 13 Cyrus Street, Korsten, Port Elizabeth, according to the National Water Act 36 of 1998, clause 3 and the Municipal By-Law in terms of Clause 26(1).

This letter also acts as permit and must be produced should it be requested by an officer of the law or any municipal official.

This permit grants you permission to supply non-potable water for the use of such things as filling of swimming pools, Jojo tanks at car washes, high pressure cleaning services and domestic uses, to the consumers of this Metro.

It will be your responsibility are to inform all your customers that this water is not approved human for consumption and the Municipality is exempted from all risks involved. This water may not be transported out of the boundaries of this Metro.

The following requirements will apply to you from the Metro's side:

- 1) All vehicles transporting the water must be clearly marked to ensure that the public can recognise that this is an authorised transport vehicle. Maybe insert a Municipal number 041-506 2347 or 041-506 2443.

Only the following vehicles are registered to transport water within the Metro boundaries:

- 1.1) JJY 655 EC
- 1.2) FHG 902 EC
