Ons voel die buttons hier is bietjie lost, vir die lui gatte wat nie wil lees nie.
Kan ons dalk daar waar jy sê: "Give it a try", meer bold maak
en eerder sê: **"Calculate your ballpark figure here:"**

HANNES GOUWS

Director & Professional Senior Architectural Technologist

f @ in

Hannes is a shy extrovert, a loud introvert, and an artist at heart.

He loves working with- and connecting people, but also enjoys his alone time to be creative.

Hannes is a registered Senior Architectural Technologist professional with a strong background in residential and commercial design.

With a passion for pushing creative boundaries, he excels in crafting innovative residential designs, including new builds, additions, and alterations.

Hannes is a highly skilled 3D artist renowned for his detailed 3d modeling and photorealistic rendering, adding a unique dimension to architectural visualization.

His career reflects a commitment to excellence and a relentless pursuit of creative innovation in both architecture and 3D artistry.

"I can get lost in design and 3d modelling. It is one of those things where you don't even notice the time. Ever since my university days, I have been fascinated with 3D rendering. The technology and its endless possibilities have always intrigued me, especially the achievement of photo-realism. You never know where your path in life could lead. Your attitude determines your destination."
